All concerts take place at the Court of the Wrocław Arsenal

This June and July this will be for the 15th time the Wrocław Arsenal will be conquered by our faithful Audience as well as a gathering of exquisite stars of chamber music.

This year's 15th Festival is subtitled as Nations Nights. In the series, we shall listen to music of Germany, Italy, Sweden, Austria, Spain, France, Poland and Estonia. And we shall admire many stars amongst the performers.

We invited to the French Night Pascal Rogé, one of most appreciated pianists of his country. The concert devoted to the music of Spain will be refined by guitarist Rafael Cortés, a master of flamenco, performing together with his ensemble. The Stenhammar Quartet will introduce us to the world of Swedish chamber music. And for the Polish Night on 8 July we invited the popular and appreciated band Raz, Dwa, Trzy.

As usual, performances will be set in the beautiful courtyard of the Arsenal, amongst monuments of architecture, submerged in the green of nature and sounds of birds. A purpose-built roofing will shelter the audience from rain, and if the temperature falls then we will move to one of Arsenal's halls.

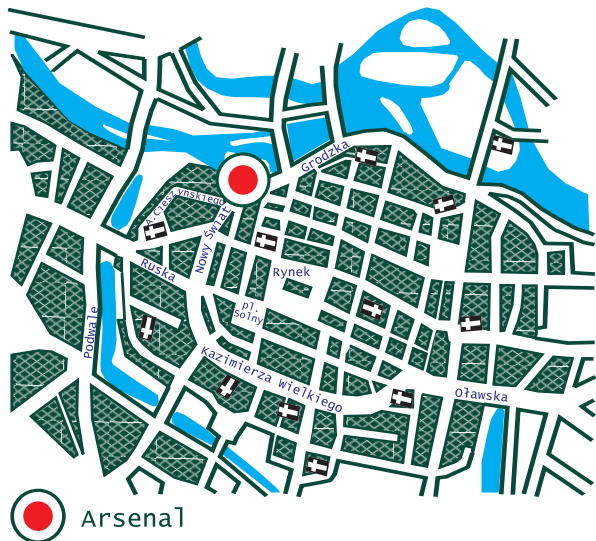

Please feel invited!
